

» Physics of Information Colloquium «
Jointly with the Quantum Computation and Information Seminar

What's next after Moore's law: quantum computing

John Martinis

(University of California and Google Inc.)

Date and time: Friday 25 September 2015, at 14:00

Location: VA2, Civil Engineering Building, IST, Lisbon

Organized by:

- *Doctoral Programme in the Physics and Mathematics of Information: Foundations of Future Information Technologies (DP-PMI)*
- *Physics of Information Group, Instituto de Telecomunicações*

Doctoral Programme in the
Physics and Mathematics of Information
www.dp-pmi.org

*Supported by: Fundação para a Ciência e a Tecnologia
(PD/00204/2012 and UID/EEA/50008/2013) and
QUTE-EUROPE – Quantum Technologies for Europe (GA 600788).*
