

» Physics of Information Colloquium «

Jointly with the Lisbon Training Workshop on Quantum Technologies in Space

Tests of Quantum Mechanics and Gravitation with Atom Interferometry

Mark Kasevich

(Stanford University)

Date and time: Wednesday 13 September 2017, at 18:00

**Location: Abreu Faro Amphitheatre,
Interdisciplinary Building, IST, Lisbon**

Organized by:

- *Doctoral Programme in the Physics and Mathematics of Information:
Foundations of Future Information Technologies (DP-PMI)*
- *Lisbon Training Workshop on Quantum Technologies in Space*

Doctoral Programme in the
Physics and Mathematics of Information
